Anglican Pastoral Appointments

2023 - Canon Priest St Paul's Cathedral
Diocese of Melbourne

2021 -	Associate Priest	St Paul's Cathedral Diocese of Melbourne
--------	------------------	---

Here I share in the care of the cathedral congregations. I preach, I teach, I preside at public services and I care for people. I was called to this work specifically to help the cathedral think through its obligations to Aboriginal and Torres Strait Islander people.

2018 - 2020	Vicar	Anglican Parish of St Agnes Black Rock, Diocese of Melbourne
-------------	-------	---

This was my first (Anglican) appointment as a priest in charge of a parish. During my time the congregation learned about the local Aboriginal history of the area and we set up a music ministry for older people called 'Merry Melodies' which is still going strong. I left when offered my 'dream job', setting up a School of Indigenous Studies in the University of Divinity.

2017	Assistant Curate	Anglican Parish of Saints Stephen & Mary Mount Waverley, Diocese of Melbourne
------	------------------	--

Here I learned the art of setting the table for the Anglican mass, I preached, and I cared for souls. My curacy was short because the diocese considered my extensive experience as a Presbyterian in the United Church qualified me to move to a priest-in-charge appointment soon after I was priested.

2016	Chaplain to Eastern Health	Anglican Diocese of Melbourne
------	----------------------------	-------------------------------

Here I offered pastoral care to people spending time in hospital. It was very much an interim and part-time appointment as my transition into Holy Orders with the Anglican Diocese of Melbourne was being sorted out.
